TERMS OF BUSINESS

Please read the following terms carefully before confirming your booking.

1. This agreement of service is between the client and Julia Stronach Makeup. All communication must be directly between the client and the artist unless in an emergency.
2. Working relationships must remain respectful and professional. If the artist feels the relationship becomes unnecessarily stressful, or inappropriate, the agreement will be cancelled at any given notice period.
3. The minimum bridal booking is 4 people. If the party size falls below this number, the minimum package charge will still apply.
4. The booking fee is non-refundable under any circumstances, and cannot be transferred to other products or services. Only if the artist cancels would the fee be returned. Please do not request exceptions to be made.
5. If services are cancelled by the client within 12 weeks of the wedding date, the full balance remains payable to cover loss of earnings.
6. Dates cannot be held without payment of the booking fee & a completed signed booking form.
7. The final balance must be paid 6 weeks prior to the wedding date. Please keep note of pricing - your balance will be exactly as quoted at the time of booking, minus booking fee.
8. Bridal previews are recommended for best results and should be booked using our online booking system 6 months in advance by the client to take place 1-12 weeks prior to the date. In the event of not having a preview, you agree that you will communicate thoroughly on the day if there are any changes to be made or you would like adjustments.
9. When working on location, a space near natural light and a large, cleared table must be provided. Its also essential that the space is well ventilated & in the event of temperatures becoming too hot, fans must also be provided.
10. The artist cannot be held responsible for cancellations due to unforeseen circumstances including extreme weather, or other events beyond control. It is recommended that wedding insurance is obtained for such situations. In the event of the artist having to cancel due to illness or emergency, every effort would be made to source an alternative artist to cover
11. During busy periods response times may be slower. All wedding correspondence should be sent via email or WhatsApp, not social media.
12. The client must inform the artist of any allergies, sensitivities or skin conditions before the appointment.
